FREEDOM OF INFORMATION REQUEST 015375 – Hospital Departments

Please can you confirm whether your trust has the following departments at any of your hospital sites, along with which hospital site they are based at:

Endoscopy Department  
Sterile Services Department (or any such department for the decontamination of surgical instruments i.e. HSDU, CSSD, etc.)

To see previous response on Endoscopy and SSD please go to the disclosure log on the Trust website <http://www.dgft.nhs.uk/about-us/freedom-of-information/disclosure-log/> and in the search box type in 015290

Renal Department - Details of the Trust's renal department can be found <http://www.dgft.nhs.uk/services-andwards/renal/>

Estates Department (responsible for the validation of decontamination equipment)  
- The Trust is contracted with Summit Healthcare (Dudley) Limited to provide Facilities Management services in partnership with its FM Service Provider. The Trust's contract with its PFI Partner started on 17th May 2001 and expires after 17th May 2041.  
Hospital Sterilisation and Decontamination Unit washers and autoclaves are validated via PFI.

Medical Engineering Department (responsible for the validation of decontamination equipment)  
- Scope washers are validated by Wassenburg Ltd who supply the washers and this is managed by the Trusts Medical Engineering Department.
