Single answer

~~a) Record number~~

b) Not Known

~~Any comments?~~

3. For the most recent financial year you have knowledge of, what would you estimate was the volume of toner cartridges consumed across the Trust?

Multiple choices

~~a) Record number~~

b) Not Known

~~Any comments?~~

4. What is the deciding factor over which print hardware brand you typically procure?
- The brand/model depends on the requirement for the department. Brands/models are kept to a minimum for IT training/tech support, familiarity and usability for staff, reliability (eg ability to support a volume printing), operating system compatibility, connectivity, quality and brand support.

5. For your HP estate, is there any preference for HP original toner cartridges versus non original toner?

Multiple choices

~~a) Yes~~

~~b) No~~

c) Some

~~d) Not known~~

Any comments? - Some models of HP are not compatible with non-genuine cartridges and therefore originals are purchased.

6. Which organisations do you have Managed Print Service contracts running with? - N/A, none.

7. Do you procure toner supplies within any procurement frameworks you have operating? - Yes

8. What % of toner that is consumed do you think is procured outside of these framework agreements? = 0%

9. You are probably familiar with the services included in a typical MPS. If an alternative service was available that offered the benefit of an MPS but without the contractual tie in, do you think this may appeal to the trust?

- Unable to answer, a Procurement marketing exercise would need to be completed.
