FREEDOM OF INFORMATION REQUEST FOI/016104 - LGBTQ+ policies

I am looking for two strands of information:

1) Any guidance or policy your trust follows relating to where a patient identifying as a trans-male or trans-female would be given a bed if they were admitted as an inpatient. Please could you send me a copy of any guidance or policy references this situation?

- there is no specific policy but we do have Privacy and Dignity policy.

2) Please could you let me know if your trust has an LGBTQ+ User Voice Group or something similar and could I have contact details for this group or its chair?

- The Trust has a **staff** group who can be contacted on dgft.lgbtnetwork@nhs.net
