FREEDOM OF INFORMATION REQUEST Ref: FOI/016138 - Mental Health and Learning Disabilities

I am making a request regarding Assessment & Treatment Units. Please could you supply:

The name and location of each Assessment & Treatment Unit in relation to Mental Health and Learning Disabilities, within the trust.

The total number of in-patients in the above ATUs.

Please note the Dudley Group NHS Foundation Trust is not a mental health trust.

The Trust would treat patients for their medical conditions but if the patient needed continuing mental health care they would be referred to the local mental health trust.

Black Country Healthcare NHS Foundation Trust provide mental health services in this area bchft.foi1@nhs.net
