Xavier Valan Selvaraj Fernando	11/07/2021	I have agreed to work as Locum Bank Respiratory Consultant in Hereford County Hospital over weekend whenever I could work either on a Saturday or Sunday since 11/07/21. Since 11/07/21 I have worked three Sundays. I am also on the Acute Medicine Consultant Bank List in Northampton General Hospital for possible weekend work. However I have not there any shifts for the past 8 months.	Consultant

Xavier Valan Selvaraj Fernando	01/01/2012	<p>My future plan is to set up a Christian missionary Hospital in India. Hence, I have formed a Trust in India named "Xavier Mission Trust" in year 2014 Other Trustees are Ezhil Ravindra Xavier Valan, who is my wife and a Catholic priest, Rev Fr Jude King, who lives in India. Trust aim is to raise funds to build a charity hospital and also engage in various educational and health care associated activities. However, the trust never received any funds from any other third party except my own personal money. Due to my personal life commitments and work commitments I was unable to engage in any Trust related activities. Hence, Xavier Mission Trust remains in a dormant state.</p> <p>I was living in Llanelli, wales until 2018. I used to engage in all church related activities (Our Lady Queen of Peace Parish, Llanelli). After knowing about my future plan of health related work in India, some parishioners wanted to donate for my cause. Hence, I have jointly created a community account with HSBC named as "Xavier Mission Foundation" along with my wife in year 2012. I continue to receive money from parishioners from Our Lady Queen of Peace Catholic church into Xavier Mission Foundation Account and the total amount raised till July 20221 is the sum of £ 3,224.09.</p> <p>Money raised in Xavier Mission Foundation account is not utilised at any point so far. Because, Xavier Mission Trust in India has not gained the status to receive funds from overseas yet.</p>	Consultant

Julian Sonksen	01/07/2021	Also a clinician in Dudley I have worked to develop for the Trust a digital tool to help provide feedback to staff involved in managing patients along the emergency laparotomy pathway. The tool is owned by Dudley Group and the work is supported by the WMAHSN. The Trust has expressed a desire to share the innovation with other organisations, but most likely on a not for profit basis.	Consultant
Julian Sonksen	01/06/2020	I act as a Clinical Advisor to the WMAHSN and part of that roll is 'horizon scanning' for innovations that may benefit the NHS. I have no financial involvement in any of the companies but do act to signpost NHS organisations to private companies and visa versa. I do this in a neutral way, and receive no payments nor hospitality from the companies.	Consultant
