Date installed - May 2018

Contract expiration - 31/3/26

Is this contract annually renewed? - No

Do you currently have plans to replace this system? - No

Procurement framework -

Other systems it integrates with? - Various clinical solutions. Due to the risk of cyber threat the Trust is not disclosing the other systems it integrates with. Cyber Security is treated as a serious threat, it is imperative that the Trust is cyber resilient, cyber-attacks against infrastructure have the potential to inflict significant, real-life disruption and prevent access to critical services that are vital to the functioning of Trust systems. The Trust considers information relating to potential vulnerability and the publishing of any IT security strategies to be sensitive information which could put the Trust at risk of a malicious hacking attack. We are therefore holding this information under section 31 (1) of the Freedom of Information Act. Information is exempt if its disclosure under this Act would, or would be likely to, prejudice (a) the prevention or detection of crime.

Total value of contract (£) - Clinical Noting is part of the overall Altera Sunrise solution and does not have a separate contract.
