Please release figures detailing the number of caesarean sections carried out by the Trust between 1st June 2021 and 30th November 2022. Please categorise the data by elective, planned and emergency sections per month, I would like the data in these categories as the actual numbers and as a percentage of the total births that month.

Please release figures detailing the number of still births and neonatal deaths at the Trust between 1st June 2021 and 30th November 2022 categorised by c-section or vaginal delivery.
