Dear

Request Under Freedom of Information Act 2000

Thank you for your email dated 20/4/23 requesting the following information under the Freedom of Information Act 2000;

This FOI request relates to people admitted to psychiatric inpatient wards who are parents.

By 'inpatient ward' we refer to: any ward that provides primarily psychiatric care, that has provision for overnight use, including locked and unlocked wards; including male, female, and mixed wards; including rehabilitation and forensic wards.

We do not need data relating to wards that are (or were during time period in question) exclusively delivering care to patients with dementia, or exclusively delivering care to older adults, or exclusively delivering care to children and adolescents (CAMHS).

Where possible please provide data on forensic wards separately from other types of ward.

By 'parent', we refer to any individual who has a child/children aged under 18 years (this can include step/foster/adopted/biological children). These parents need not necessarily have current caring responsibility (e.g. their child/children could be in temporary foster care).

We also include as a 'parent' any individual who has any other formal residential caring responsibility for a child aged under 18 years (e.g. where a grandparent has parental responsibility for a grandchild).

We are seeking data covering the period from 1st January 2018 to 31st December 2019 inclusive.
