Dear

**Request Under Freedom of Information Act 2000**

Thank you for requesting information under the Freedom of Information Act 2000, please see response below.

*Could you please advise me as to how many patients have been admitted to your Trust between the beginning of 1st April 2020 and 31st March 2023 with a diagnosis of dementia - **4,290** (using ICD-10 codes F00 - F03)*

*Please include patients even if dementia was not a primary diagnosis. If the same patients were admitted multiple times, please count them only once. I am looking for the total number of clients only and do not require the breakdown of the dementia condition*

*Additionally, are you able to provide the number of patients who were treated for dementia as outpatients in the same period, or who were recorded on any dementia register you may hold.*

*We do not have any way that we can determine if a patient was treated for dementia as outpatients*
