of all vehicles currently on your fleet list and all vehicles sold between 14/11/2022 - 05/09/2023

Response

Thank you for your request asking for information on Trust fleet vehicles.

The Trust does not have any fleet vehicles, our transport service is provided through the Private Finance Initiative contract with Summit Healthcare (Dudley) Ltd please see click [here](#) for further information.

We are aware we have supplied information to a similar request we have received previously, however this was information on private lease cars which, after careful consideration, we feel are different and therefore did not answer the request around fleet vehicles appropriately. We apologise for any confusion this may have caused.

If you are dissatisfied with our response, you have the right to appeal in line with guidance from the Information Commissioner. In the first instance you may contact the Information Governance Manager of the Trust.
