Dear

Request Under Freedom of Information Act 2000

Thank you for requesting information under the Freedom of Information Act 2000.

Request

What sum is paid to MITIE Security for patient watch duties and how much was spent in the last 12 months.

Response

The Trust's FM services are provided by our PFI partner as a part of a comprehensive Facilities Management Service. Security is a part of that PFI agreement.

The Trust is contracted with Summit Healthcare (Dudley) Limited to provide the FM services in partnership with its FM Service Provider. The Trust's contract with its PFI Partner started on 17th May 2001 and expires after 17th May 2041. Costs are paid by our PFI Partner as part of a comprehensive Facilities Management Service. The full range of services are paid for by means of a single Unitary Payment and Tariff Adjuster Mechanism which does not identify specific costs.

If you are dissatisfied with our response, you have the right to appeal in line with guidance from the Information Commissioner. In the first instance you may contact the Information Governance Manager of the Trust.
