Response

The Trust does not hold this information in a reportable format. In order to provide this, it would require a manual trawl of patient's records, which is exempt under Section 40 (Personal Information) of the Freedom of Information Act.

When information is not in a reportable format

The ICO guidance clearly states "FOIA only applies to information that a public authority already holds in recorded form at the time of a request. If you don't hold a particular piece of information that someone has asked for, you don't have to create it".

If you are dissatisfied with our response, you have the right to appeal in line with guidance from the Information Commissioner. In the first instance you may contact the Information Governance Manager of the Trust.
