Dear

Request Under Freedom of Information Act 2000

Thank you for requesting information under the Freedom of Information Act 2000.

Request

Please provide the total number of patients in which their treatment was coded as 'Pregnancy with abortive outcome' using one of the following ranges: O030-O39 Spontaneous abortion, O040-O049 Medical abortion, or O070-O079 Failed attempted abortion.

For each individual code, as noted below, please provide the totals for each twelve-months period from 01 January 2017 to 31 December 2023.

Response

Please find attached PDF with requested information, however, as per NHS Digital rules the Trust does not publish numbers lower than 5 as this could lead to the identification of the persons involved and cause distress to Families or Friends. The number of patients treated for pregnancy with abortive outcome over the years requested is less than 5, so Exemption Section 40(2) of the Freedom of Information Act is applied.

If you are dissatisfied with our response, you have the right to appeal in line with guidance from the Information Commissioner. In the first instance you may contact the Information Governance Manager of the Trust.
