Dear

Request Under Freedom of Information Act 2000

Thank you for requesting information under the Freedom of Information Act 2000.

Request

What is the annual cost to DG NHS Foundation Trust of the statutory monitoring of the environmental conditions/HVAC performance in operating theatres/ICUs/HDUs etc.

Response

Not known this is done via the Trust's PFI Partners as part of the PFI contract.

The Dudley Group NHS Foundation Trust operates a Private Finance Initiative (PFI) Contract. A PFI is a public private partnership (PPP) used to fund major capital investments. The hospital buildings are not owned by the Trust but by Summit Healthcare (Dudley) Ltd who the Trust has the PFI contract with. The contract allows the Trust to use the buildings to provide its clinical services.

Summit Healthcare (Dudley) Ltd and their partner Mitie are responsible for providing the estates and facility management services.

The Trust's contract with its PFI Partner started on 17th May 2001 and expires after 17th May 2041
