Can you please confirm the following.

What current web filter is in place and when this contract is due to expire?

The Trust considers this information to be sensitive information and are therefore holding this information under section 31 (1) of the Freedom of Information Act. Information - is exempt if its disclosure under this Act would, or would be likely to, prejudice - (a) the prevention or detection of crime.

What current security awareness training is in place and when this contract is due to expire?

- The Trust uses eLFH platform which is NHS England programme. Cyber-security training is also supplemented by internally developed awareness and best practice materials.
- Lastly, can you please confirm what reseller the trust used to purchase their web filter and security awareness training technologies?
