Dear

**Request Under Freedom of Information Act 2000**

Thank you for requesting information under the Freedom of Information Act 2000.

**Request**

I hope this message finds you well. I am writing to submit a formal **Freedom of Information (FOI)** request in relation to **Dr Aiva Bracka**, a surgeon previously associated with **Dudley Group NHS Trust**. Specifically, I would like to request any information regarding:

1. **Claims or Complaints:** Any formal patient complaints, allegations, or claims made against Mr. Aiva Bracka, including but not limited to any claims of professional misconduct or malpractice.
2. **Investigations or Proceedings:** Any investigations, disciplinary proceedings, or other official actions taken by the Trust in response to these claims. This may include correspondence, internal reports, meeting minutes, or any other documents related to such matters.
3. **Outcomes and Resolutions:** Any conclusions, sanctions, or resolutions arising from the claims or investigations, including whether Mr. Aiva Bracka faced any restrictions or consequences in his medical practice.

**Response**

The Trusts databases which hold information on complaints and claims logged with the organisation was implemented on 01 February 2016. We can confirm we have checked these databases and can confirm there are no complaints/claims received and logged on our databases in relation to Mr Bracka made from 1 February 2016 to 4 April 2025. Unfortunately, due to the time lapsed, we do not have any recorded information prior to that date.

If you are dissatisfied with our response, you have the right to appeal in line with guidance from the Information Commissioner. In the first instance you may contact the Information Governance Manager of the Trust.
