## **PRESS RELEASE**

### **Meet the experts at the next Health Fair event**

Health experts at The Dudley Group NHS Foundation Trust are offering you the chance to see firsthand how community and hospital based staff work together at a health fair next month.

The 'Meet Your Experts' event, on Wednesday 1<sup>st</sup> February 2012, will throw the spotlight on clinical and support staff who will be on hand with presentations and interactive demonstrations.

"This event will showcase a wide range of teams and services and how they link up and work together."

Services on show include intermediate care, virtual ward, respiratory, wheelchair services, neurology, stroke and rehabilitation, palliative care as well as the Integrated Living Team.

The event takes place between 10.00am and 1.00pm in the Clinical Education Centre, C Block, Russells Hall Hospital, Dudley.
