**FREEDOM OF INFORMATION ACT 2000 - Ref: FOI/012058**

With reference to your FOI request in connection with 'Locum Consultants', please see response below.

Please can you tell me the hourly rate for waiting list initiative work the trust has paid to consultants between June and December this year?

Please could you also tell me the hourly rate for waiting list initiative work paid to locum consultants between the same time period?

Sessional WLI rates for Substantive and Locum Consultants range from £360 to £570 dependant on specialty, session type and day or time of session. (Note rate is for a complete clinical session – typically morning, afternoon or evening, not per hour)
