

Date: 03/03/2015

**FREEDOM OF INFORMATION ACT 2000 - Ref: FOI/012103**

With reference to your FOI request that was received in connection with 'Oncology' please see response below.

I am writing to you to ask if you be able to provide us with the following information about oncology services within your organisation.

1. If your organisation offers RAS tests, how many if any RAS tests have been provided for metastatic colorectal Cancer patients in 2014?
2. Of those metastatic colorectal cancer patients RAS tested, how many were RAS wild type?
3. Within your organisation, how many patients have been treated in the last six months for metastatic colorectal cancer?
4. If possible, please split these patients by their current or most recent drug treatment, using the table below for convenience;

Drug	Total Patients
Bevacizumab	
Cetuximab	
Panitumumab	
Aflibercept	
Oxaliplatin	
Irinotecan	
5-Fluorouracil	
Irinotecan with 5-fluorouracil (5FU) and folinic acid (FOLFIRI)	
Oxaliplatin with 5-fluorouracil (5FU) and folinic acid (FOLFOX)	
Capecitabine and oxaliplatin (CAPOX / XELOX)	
Capecitabine and irinotecan (CAPIRI)	

5. Also within your organisation, how many patients have been treated in the last six months for head and neck cancer (squamous cell carcinoma)?
6. Of these patients, how many are locally advanced and how many are recurrent or metastatic head and neck cancer patients?
  - a. Locally advanced:
  - b. Recurrent and/or metastatic:
7. If possible, please split these patients by their current or most recent drug treatment, using the table below for convenience;

Drug	Total Patients
Carboplatin	
Cetuximab	
Cisplatin	
Docetaxel (Taxotere)	
Fluorouracil (5FU)	

8. How are your patients funded, please state the number of patients by their funding route;

Drug	CDF	Private	Trust	Other
Metastatic Colorectal Cancer				
Head and Neck Cancer				

In response to your Freedom of Information request -The Trust does not hold this information on a centralised electronic report that would be able to produce the information you have requested. This information is held across the Histology Department, The Pharmacy Department, Multi-Disciplinary Teams (MDT) and within individual patient case notes. To locate and collate the information for your request would take longer than the statutory FOI guidelines of 18 hours.
