**Gallstone Operations**

444

**Tonsillectomies**

295

**Cataract Operations**

1750

The Trust does not hold the average waiting time information as requested.

The Trust does not hold waiting time by procedure statistics

The Information Department provides a weekly 'snap shot' waiting time report that is sent to the Operational Directorate. General managers monitor the 18 week waiting time target at a treatment function code level to comply with national guidelines.
