FREEDOM OF INFORMATION REQUEST Ref: FOI/012272 – Payments in kind

I write to request details of any payments or payments in kind made to any member of your staff or to any department from any pharmaceutical company in the last 5 years.

This may include educational events, conferences, payments for expertise or for contributing to pharmaceutical papers or marketing.

In response to the above, the Trust has received income as follows in respect of Research Grants, Patient and research studies, sponsorship towards education and the support of training events in the community, from Pharmaceutical Companies

	Trust	Community	Total
2010/11	139,083.62	-	139,083.62
2011/12	116,827.92	11,100.00	127,927.93
2012/13	106,519.65	3,958.00	110,477.65
2013/14	94,334.31	6,542.00	100,876.31
2014/15	166,051.70	3,950.00	170,001.70
total	622,817.21	25,550.00	648,367.21

All Trust staff are required to enter any gift that is received in kind whether personally or on behalf of the department they work in in the gifts and hospitality register. I can confirm that there are none received in the 5 year period as above.

The data in respect of the Community is only available from April 2011, when adult community transferred to the Trust, and this department was established.
