FREEDOM OF INFORMATION REQUEST FOI/012308 – Temporary theatre staff

Please can you confirm how many temporary theatre staff of the below specialisms, you have working on an agency basis at the time of this request.

Can you please break this information down by specialism:

OPD (Operating Department Practitioners)

Theatre Nurse

Scrub Nurse

Recovery Nurse

To provide additional clarity on my request, 'temporary theatre staff' is to mean all persons who are theatre staff and are not on permanent contracts of employment with the Trust, but are supplied via employment agencies.

The Trust does not collect the information by type of nurse as requested above, the information is collected on agency theatre staff by band.
