FREEDOM OF INFORMATION REQUEST - Ref: FOI/012404 – Vending machines

How many vending machines are there on your hospital premises? (If your trust has more than one hospital, please specify the number of vending machines for each hospital.)

There are 11 vending machines at Russells Hall Hospital and none at Corbett Hospital or Guest Hospital.

Please list the names of all food and drink products sold in the vending machine(s) currently and in the financial year ending April 2015 and the financial year ending April 2014 . Please break this information down by year.

How much net profit (after taxes) did you generate from vending machine(s) in the financial year ending April 2015 and the financial year ending April 2014? Please break this information down by year. If your vending machine is provided by a contractor, please provide details of the profit/money generated annually as a result of this contract.

What were the total sales from these machine(s) in the financial year ending April 2015, and the financial year ending April 2014? Please break this information down by year.

The Trust does not hold this information.

The vending machines and their contents are supplied via Summit Healthcare (Dudley) Limited who provide FM services in partnership with its FM Service provider. Costs are paid by our PFI partner as part of a comprehensive Facilities Management Service. The full range of services are paid for by a means of a single Unitary Payment which does not identify specific costs.
