2. We would like to understand how the Trust deals with the treatment of Prostate Cancer, and therefore we would like to request any documents that are used to cover this treatment area e.g. Referral Pathways / Care Pathways / Prescribing Guidelines.

Please see pathway below

3. We would also like to request any Referral Pathways / Care Pathways / Prescribing Guidelines for Adult Nutrition.

For oncology patients the dietician MUST review the patient within two days for review of nutritional requirements which will be dependent on symptoms of cancer and/or treatment.

This will be reviewed after two weeks and at the discretion of the dietician the patient discharged when appropriate
