FREEDOM OF INFORMATION REQUEST 012601 – Urine samples

**I would like to know the following:**

**How many urine samples were tested for Culture and Sensitivity in the last full year that the Trust has records for.**

**How many of these samples showed signs of mixed growth**

The table has total Urine requests (by month) followed by total sent for culture which then are broken down to mixed cultures by sex, this is broken down again by month with totals for months and year.
