FREEDOM OF INFORMATION REQUEST FOI/012831 – No resuscitation order

How many No Resus Orders were issued by your hospital in last 5 years?

Do Not Attempt Cardiopulmonary Resuscitation (DNACPR) numbers are collected each week, for the period 1st June 2016 to 8th June 2016 there were 58.

Previous to this date, the Trust did not hold the information in a centralised electronic reporting system.

How many of these patients survived and were thus discharged from your hospital in same above period?

The Trust does not measure the number of discharges of patients with a DNACPR as part of a continuum of care.

Have you a pro forma No Resus Order checklist which you use to see whether patient should be given No Resus Order, please send me a copy?

Please find attached the Trust's 'Do not attempt cardio pulmonary resuscitation policy' - For a copy of the policy please contact [FOI@dgh.nhs.uk](mailto:FOI@dgh.nhs.uk) quoting reference number 012831

What percentage of your SpR or Specialist Registrars are on the General Medical Council's Specialist Register?

The Trust does not collect this information on SpRs/Specialist Registrars as it is not a requirement for this grade.
