FREEDOM OF INFORMATION REQUEST FOI/012845 – Car parking

I am looking for the following information regarding parking services at your hospital

- How many car parks out of the total number designated for hospital patients/visitors offer free parking, as of your most up-to-date statistics? (please state how many and out of the total)

There are no designated car parks for free parking. Free or reduced fee parking by way of value and concessionary cards is offered to patients/visitors to use on any of the visitors car parks

- If you charge fees for hospital patients/visitor designated parking, do you have the same pricing structure at all your parking sites? (Yes/No)

Yes

- What is your most commonly charged minimum rate for patient/visitor parking (excluding any free parking), and for how long does this allow somebody to park
£1.50 for 15 to 30 minutes

- What is your most commonly charged maximum rate for patient/visitor parking (excluding any free parking), and for how long does this allow somebody to park? -
£5.60 for 3 to 24 hours

- What percentage of car parks designated for hospital patients/visitors allow payment by debit or credit card?

Please approximate if necessary, and state if you do so

All patient/visitor car parks allow payment by debit/credit card

- What percentage of car parks designated for hospital patients/visitors allow payment on exit? Please approximate if necessary, and state if you do so -

All hospital car parks are pay on foot. All payments are made at the pay machines situated in the hospitals and it is payment before going back to your car

Please go to the Trust website <http://dudleygroup.nhs.uk/patients-and-visitors/car-parking/> for further information on car parking.
