FREEDOM OF INFORMATION REQUEST FOI/012855 – 18 week referral to treatment

I would be grateful for the following information:

a) Between April 2015 and March 2016, how many patients (on both admitted and non-admitted pathways) who had breached the 18-week Referral to Treatment target were transferred to another NHS provider or an independent sector facility at NHS expense as a result?

None

b) Between April 2015 and March 2016, how many patients (on both admitted and non-admitted pathways) who would otherwise have breached the 18-week Referral to Treatment target were transferred to another NHS provider or an independent sector facility as a result?

None
