FREEDOM OF INFORMATION REQUEST FOI/013357 – Rostering and rota management software

I am researching the NHS use of rostering and rota management software. For each supplier used at the organisation, please provide the following information:

1. Name of Software - Exemption (43) has been applied given it is commercially sensitive in that providing the information may compromise information security. Therefore it is not in the public interest to provide.
2. Description of its uses (including the staffing groups or departments it is used for) - electronic rostering and employee management. Departments including Nursing, Midwifery, Theatres and Corporate
3. Who signed the contract (job title) - Director of Finance and Information and Deputy Chief Executive
4. What is the maximum sign off value of this person's position? - £250k but please note that this procurement was approved by Trust Board
5. What was the value of the contract? - Commercially in confidence
6. What is the contract term? - 5 years, 30/11/12 to 29/11/17
7. When was it signed? - 30/11/12
8. What is the notice period? - Notice can only be provided when a 'Termination Event' occurs or a default capable of being remedied is not remedied
9. Was it bought through a framework? If so, please state which one - Spirit II Framework Agreement for IT Products and Services
