FREEDOM OF INFORMATION REQUEST 013401 – Absences amongst doctors

As part of my request I require the figure for total number of absences among doctors at the trust, with these figures broken down by reasons for absence. Absences should not include annual leave, secondments or other planned absences.

I would like the information for 2017, 2016, 2015 and 2014. Please feel free to break this down by financial years e.g. 2014-15, 2015-16 and 2016-17, if that fits with records more comfortably.

Please ensure clarity is provided on the reasons for the absence, including the number of doctors absent from work due to stress, anxiety or depression is included.
