How many patients had to be notified of an appointment being cancelled due to the cyber attack on NHS Systems on the 12th of may 2017?

None

How many computer infection attempts have been cleared/stopped by your firewall or antivirus software by day for the month of may 2017 so far?

How many attempted Cyber attacks have been directed at your trust in 2016 and 2017 to date ?

What the predicted/estimated cost to your trust is/for/against cyber attacks across 2017 ?

Additionally what has/is the current cost to date ?

How many computers across your trust use windows XP ?

Exemption 43 (2) applied given the organisation considers this level of information commercially sensitive from an information security perspective.

The public interest test set out in section 2(2)(b) supports application of exemption 43 (2) given there is a greater public interest in maintaining the exemption 43 (2) outweighing the public interest in disclosure in order to protect public and public services against cyber security threats.
