FREEDOM OF INFORMATION REQUEST FOI/013501 - Social media breaches

How many employees have been investigated for social media breaches in the calendar years 2014, 2015 and 2016?

Could I have the figures broken down by year please?

What position do/did they hold?

Unable to respond from 2012 – July 2016 as this information was not centrally recorded and only held on personal files.

Since August 2016 to 31/12/16 we have had 3 cases where the disciplinary procedure has been invoked as a result of social media behaviour.

Due to the low numbers and the possibility of the persons being identified the Trust is not releasing the positions held or the nature of the investigations. and is using exemption Section 40 (2) of the Freedom of Information Act-

'If the requested information is (or contains) other peoples personal data, which is not also personal data of the requester, section 40(2) may be engaged
