Current contract end date

The procurement method that was used to obtain this system i.e. what framework? - **Government Procurement Service Framework Agreement SPRINT II (Reference: RM720)**

The current contract status and procurement intentions, are you in procurement or have you already procured? **Contract rolled on until 30/11/18**

Are you looking to renew this system? **NO**

The total contract Value? - **Commercially sensitive**

Do you have mobile access to this system yes or no **YES**

6.Does your trust use a system for Corporate scheduling if yes please could you answer the following: **NO**

Supplier name **NA**

System name **NA**

Current contract start date **NA**

Current contract end date **NA**

The procurement method that was used to obtain this system i.e. what framework? **NA**

The current contract status and procurement intentions, are you in procurement or have you already procured?

Are you looking to renew this system? **NA**

The total contract Value? **NA**

Do you have mobile access to this system yes or no **NA**

7.Does your trust use a Population health management system if yes please could you answer the following: **NO** (example suppliers are EPR providers (Cerner, Allscripts, Epic etc), integration-led (Graphnet, Orion, ISC etc) and PHM specialists (e.g. MedeAnalytics)

Supplier name **NA**

System name **NA**

Current contract start date **NA**

Current contract end date **NA**

The procurement method that was used to obtain this system i.e. what framework? **NA**

The current contract status and procurement intentions, are you in procurement or have you already procured? **NA**

Are you looking to renew this system? **NA**

The total contract Value? **NA**

Do you have mobile access to this system yes or no **NA**

8.Does your trust use a Finance BI and analytics system if yes please could you answer the following: **NA**

Supplier name **NA**

System name **NA**

Current contract start date **NA**

Current contract end date **NA**

The procurement method that was used to obtain this system i.e. what framework? **NA**

The current contract status and procurement intentions, are you in procurement or have you already procured? **NA**

Are you looking to renew this system? **NA**

The total contract Value? **NA**

Do you have mobile access to this system yes or no **NA**

9.Does your trust use a Live operational dashboard system if yes please could you answer the following: **Yes**

Supplier name **NA – in-house development**

System name **NA**

Current contract start date **NA**

Current contract end date **NA**

The procurement method that was used to obtain this system i.e. what framework? **NA**

The current contract status and procurement intentions, are you in procurement or have you already procured? **NA**

Are you looking to renew this system? **NA**

The total contract Value? **NA**

Do you have mobile access to this system yes or no **YES**

10.Does your trust use a Genomics platform if yes please could you answer the following: **NO**

Supplier name **NA**

System name **NA**

Current contract start date **NA**

Current contract end date **NA**

The procurement method that was used to obtain this system i.e. what framework? **NA**

The current contract status and procurement intentions, are you in procurement or have you already procured? **NA**

Are you looking to renew this system? **NA**

The total contract Value? **NA**

Do you have mobile access to this system yes or no **NA**
