FREEDOM OF INFORMATION REQUEST FOI/013897 – Children admitted to A&E

1. How many children aged under-18 were admitted to hospital through each of your accident and emergency departments between 1 April 2016 and 31 March 2017 due to self-harming?
2. Can you provide an age breakdown of admittances for this period?

Due to the low numbers in the age ranges up to 12 years old and in order to avoid the possibility of a patient being potentially identified if the information is in the public domain the Trust has grouped the age ranges and numbers together

Age	0-12	13	14	15	16	17
Number	12	19	44	57	36	28
