FREEDOM OF INFORMATION REQUEST FOI/013937 – Hand sanitizers

- Is there a contract in place in your trust with a third party (such as Carillion or Serco) to replenish hand sanitizer dispensers in your hospital

- No, the hand sanitizer (gel) is ordered directly by the Trust through NHS Supply Chain this does not form part of the PFI contract.

- If so, how much is your trust billed for each such replenishment? - N/A

- If not, how much does it cost the trust to replenish such a dispenser

The cost of the 750ml cartridge for the dispensers is £4.60
