FREEDOM OF INFORMATION REQUEST FOI/014130 – Overseas visitors

I have had some feedback from other trusts regarding the nature of the question so to ensure that the FOI request is dealt with as easily as possible by yourselves I have rephrased the question to simplify it. Please see below.

Please could you provide me with a list of each of the overseas patients within your trust who have been billed for NHS care during the whole of the financial year of 2016-17, and any from the financial year 2017/18 that you currently have available. Please do not include the billing of any EEA nationals, or private patients. If possible, please format the data in an excel spreadsheet and include only:

1. Year of birth
2. Nationality
3. Sex
4. Amount invoiced
5. Date invoiced

If this is felt to be too much information to give out

1. instead of year of birth, please provide whether they were born before (not including) 1971, or after
