

Freedom of Information request 014861

2/7/19

Please detail each instance between April 2014 and March 2019 (i.e within the financial years 2014/15, 2015/16, 2016/17, 2017/18 and 2018/19) when an invoice was raised for an overseas visitor for treatment which exceeded £10,000.00. In each instance, please provide:

1. The total amount of the invoice - see table below
2. The medical speciality (or specialities) involved. e.g Maternity, renal, oncology, etc - see comments below table
3. The financial year in which the invoice was raised - see table below
4. The amount paid off by the patient, patient's family, friends or associates to date - see table below
5. Whether any amount from the original invoice has been written off by the Trust. If so, the amount written off and when (financial year) that amount or amounts were written off - see table below

If it does not breach NHS patient confidentiality rules, please can you also state for each invoice:

6. The nationality of the patient (i.e. where they were deemed to be ordinarily resident). If this is not possible please state EU / non-EU.
7. The broad age range of the patient at the time of treatment (eg under 18, 18 – 34, 35 – 60, over 60)
8. The gender of the patient

Questions 6, 7 and 8 see comments below table

Q3	Q1	Q4	Q5	Q5	Q5
Financial Year	Total Invoice Value	Amount Paid	NHS Trust Value written off	CCG Value written off	Financial year written off
2014/15	16,613.64	-	16,613.64		2015/16
2015/16	22,520.95	-	22,520.95		2015/16
2016/17	12,582.00	12,582.00			
	14,730.00	-	7,365.00	7,365.00	2016/17
2017/18	29,436.00		14,718.00	14,718.00	2017/18
	10,844.00		5,422.00	5,422.00	
	15,731.00	280.00			2018/19
2018/19	Nil invoices
