FREEDOM OF INFORMATION REQUEST FOI/014420 – Patient treatment/drugs

1. How many patients have been treated in the past 6 months [latest 6 months available] with the following, if possible please split by paediatric (less than 18 years) and adult 18+years;

There were no adult patients treated and as the number for children is <5 the Trust does not publish numbers as this could lead to the identification of the persons involved
