FREEDOM OF INFORMATION REQUEST 014534 – MARF referrals

Request:- How many MARF referrals were made for ED attenders each month for the past 3 months. Is it possible to get basic categories/ reasons for referrals? Or at least how many, if any for reasons of mental health.

The Information requested is :-

MARF referrals made for ED attenders each month for the past 3 months:-
October 81, November 29, December 51, Total = 161

Those clearly identified as pertaining to Mental Health total 6 for children and 32 for Adults.

It is not possible to include the other categories as the MARFs aren't categorised.

Information about mental health has come from the Trust's incident reporting system
