FREEDOM OF INFORMATION REQUEST 014540 – DTOC and missed targets

Please could you provide me with the following information:

1) What is the name of:

- a) your trust - The Dudley Group NHS Foundation Trust
- b) the hospitals run by your trust - Russells Hall Hospital

2) What is the longest time (in days) one patient has remained in a bed at your trust due to delays in transfer of care (DTOC) from October 2016 to October 2018?

3) What was the age of the patient (from question 2) and the reason for delay?

**Questions 2 & 3** - The Trust publishes its monthly delayed discharges on the Department of Health website - <http://www.england.nhs.uk/statistics/statistical-work-areas/delayed-transfers-of-care>

4) How much money has your trust been fined or had withdrawn/withheld for not meeting the percentage target for A&E waiting time (4 hours) in the following financial years: (If possible please breakdown by quarters, if not just give the whole sum for that period)

- a) 2017/2018
- b) so far 2018

5) How much money has your trust been fined or had withdrawn/withheld for not meeting the percentage target for referral to treatment time of 18 weeks for patients in the following financial years: (If possible please breakdown by quarters, if not just give the whole sum for that period)

- a) 2017/2018
- b) so far 2018

6) How much money has your trust been fined or had withdrawn/withheld for not meeting the 15 minute target of handing over a patient from an ambulance to your hospital in the following financial years: (If possible please breakdown by quarters, if not just give the whole sum for that period)

- a) 2017/2018
- b) so far 2018

**Questions 4, 5 and 6** - the answer is NIL. The Trust has signed up to our control total and so cannot be fined
