FREEDOM OF INFORMATION REQUEST 015217 - Messaging apps

Dear The Dudley Group NHS Foundation Trust,

1. Does the Trust use (or allow) the use of instant messaging apps for the processing of patient identifiable data?
If yes

2. Which messaging app(s) do you use?

3. Has a DPIA been completed? (if yes please include a copy in your response)

4. Has a risk assessment been completed? (if yes please include a copy in your response)

5. Please include any policies or SOPs that detail how the apps are used

The Trust do not currently use messaging apps for the processing of patient data..
