Mental health professional in diabetes service	1. How many specialist adult diabetes multi-disciplinary teams operate within the Trust?	
	2. How many people are currently under the care of each specialist adult diabetes multi-disciplinary team within the trust?	
	3. How many whole time equivalent mental health professionals are employed as part of each specialist adult diabetes multi-disciplinary team, and which part of the service are they aligned to? If there are no mental health professionals employed within the service, but there is a collaboration with Improving Access to Psychological Therapies-Long Term Conditions (IAPT-LTC), please give details of this instead.	

*Please note that this information was asked of CCGs in an earlier FOI (July 12th 2019). There was feedback that CCGs do not hold the information, but in some cases CCGs may be approaching trusts to obtain this information as a result of the previous FOI. If this is the case for your trust, we understand you may wish to liaise with the CCG to provide one response and avoid duplication.

The Trust does not have any mental health professionals within the diabetes team.
