FREEDOM OF INFORMATION REQUEST FOI/014983 - Trust valuers/MEA model

I would be obliged if you could provide me with the following information under the above act within the statutory 20 working days.

1. Copies of all correspondence including e-mails from January 2018 to date between the Trust and the Trusts Valuers relating to the valuation in the Balance Sheet of Property Land and Buildings.

All correspondence in relation to question one was undertaken via email.

The Trust's email provider is NHS Digital. NHS Digital has stated that 'forensic' searches (for example, Human Resources(HR), criminal, clinical) can be initiated by the organisations HR director / CEO for which the account resides in at the time of request. NHS Digital does not provide a provision to provide searches into organisations email accounts for FOI requests. When data is recovered on behalf of an organisation, there are no guaranteed times to return data and requests are processed on a first come, first served basis. No attempt will be made to prioritise requests.

2. Copies of all correspondence including e-mails from January 2018 to date between the trust and its auditors PWC relating to the approval of the revised MEA model commissioned by the Trust in April 2018

All correspondence in relation to question two was undertaken via email.
