FREEDOM OF INFORMATION REQUEST FOI/015001 – Physiotherapy

If possible, I would like to request some further clarity/breakdown of data for Request 4.

Request 4: The amount of time taken between a referral (regardless of its source) to physiotherapist being made and the patient's first appointment with the physiotherapist

Amendment - Please provide details of the average time taken for both routine and urgent cases for the following financial years:

i) 2016/17 Urgent: Routine:

Trust 20 74

Community 6.8 46.8

ii) 2017/18 Urgent: Routine:

Trust 21 84

Community 9.8 38.6

iii) 2018/19 Urgent: Routine:

Trust 20 68

Community 11.8 56.8
