FREEDOM OF INFORMATION REQUEST 015385 – Ventilators

I am writing to you under the Freedom of Information Act 2000 to request the following information from The Dudley Group NHS Foundation Trust, separated by the hospitals within your trust:

Current number of total hospital beds, as well as number of ICU, NICU, and high dependency beds

Number of inpatient beds this excludes daycase, chairs and maternity = 612

ITU = 6

HDU both Medical and surgical = 16

Neonatal = 18

A list of each mechanical ventilator within the trust by: brand, model, site (hospital name), location within the hospital (for example, ICU, NICU, emergency department, etc.), purchase date, and installation date –

Please see below

For clarification, I am using the term ventilator to mean invasive mechanical ventilators and am excluding devices such as dedicated noninvasive ventilators, automatic resuscitators, continuous positive airway pressure (CPAP) units, anaesthesia units and other miscellaneous ventilators.

Additionally, to clarify, the term ICU stands for intensive care unit, PICU stands for paediatric intensive care unit, and NICU stands for neonatal intensive care unit.
