FREEDOM OF INFORMATION REQUEST FOI/015514 – Covid

I am writing to request some information under the freedom of information act. Please could you provide me with the actual number of deaths within the trust due to Covid-19 between February 2020 and November 2020.

Please could you also provide the exact dates in February and November that these figures are provided for.

With reference to 'Covid only' deaths - the Trust does not hold/record this information centrally in a reportable format.

An individual case note analysis would be needed and this would be exempt as it would also exceed the appropriate cost limit as specified in Section 12. In addition the Trust is also applying section 14 (1) oppressive burden on the authority
