3. The number of Trust employees absent from work due to a Test and Trace requirement to isolate. As above, if the data is held weekly then please average the numbers across the month or provide the weekly data if easier.

- From March 20 to March 21 - 222
- Please note track and trace figures were also coded as part of the standard isolation figures and not always collected separately so the figure above may not be a complete overview of the track and trace figures

4. The total number of beds across the Hospital(s) in your Trust - 612

5. The total number of beds unused due to Covid-19 infection control measures (commonly referred to as 'red'/'green' pathways). Please provide these figures month by month from March 2020 to March 2021.

- The Trust produces a daily report of the number of beds closed but the report does not include the reason why the bed was closed.

6. The number of retired staff returning to the Trust from March 2021 onwards to practice during Covid-19

- 39 people were rehired between March 2020 and 2021
