FREEDOM OF INFORMATION REQUEST - FOI/015728 ADHD Diagnosis

For your NHS Trust(s), please could you provide the following information:

1. The current wait time for an undiagnosed adult to see a psychiatrist for ADHD after being referred from a GP on the NHS
2. The current wait time for an undiagnosed child to see a psychiatrist for ADHD after being referred from a GP on the NHS
3. The current wait time to see a Cognitive Behavioural Therapist for ADHD following an ADHD diagnosis
4. The number of children (under the age of 18) with an ADHD diagnosis
5. The number of children (under the age of 18) with an ADHD diagnosis who are also being treated for a psychiatric comorbidity, including, but not limited to: depression, anxiety, personality disorders such as borderline personality disorder, sleep disorders and substance abuse.
 - a. Please provide this as a breakdown by comorbidity
6. The number of adults (over the age of 18) with an ADHD diagnosis
7. The number of adults (over the age of 18) with an ADHD diagnosis who are also being treated for a psychiatric comorbidity, including, but not limited to: depression, anxiety, personality disorders such as borderline personality disorder, sleep disorders and substance abuse.
 - a. Please provide this as a breakdown by comorbidity

Please could you also provide the average wait time for each year from 2015-2020, if doing so will not push this request over the cost limit.

To see a previous response please go to the Freedom of Information request disclosure log <http://www.dgft.nhs.uk/about-us/freedom-of-information/disclosure-log/> and in the search box type in 014170

The Dudley Group NHS Foundation Trust is not a Mental Health Trust, adult mental health services are Dudley & Walsall Mental Health and childrens services at Black Country Healthcare.
