The details we require are:

What are the contractual performance KPI's for this contract?

- Not applicable this exercise was a simple hardware purchase, based on delivery and minimal support, therefore KPIs were not included

Suppliers who applied for inclusion on each framework/contract and were successful & not successful at the PQQ & ITT stages

- The exercise was undertaken through the Crown Commercial Services framework agreement RM3733 Lot 1. All parties were invited with two responses, from ANS Group and Computacenter

Actual spend on this contract/framework (and any sub lots), from the start of the contract to the current date

- £43,350

Start date & duration of framework/contract?

- March 2017 no on-going contract duration as this was an equipment purchase with minimal on-going support contract

Could you please provide a copy of the service/product specification given to all bidders for when this contract was last advertised?

- Please see the attached product list issued with the tender documentation

Is there an extension clause in the framework(s)/contract(s) and, if so, the duration of the extension?

- Not applicable - equipment purchase

Has a decision been made yet on whether the framework(s)/contract(s) are being either extended or renewed?

- The Trust will utilise the most appropriate framework agreement based on the requirement at the time, so this will be considered on each occasion for future equipment purchases

Who is the senior officer (outside of procurement) responsible for this contract?

- No contract as this was a purchase
