Address / Email:

Dear

Request Under Freedom of Information Act 2000

Thank you for requesting information under the Freedom of Information Act 2000.

Please tell me with respect to the financial year 2022/23:

1) How many incidents were reported by your Trust on the Datix incident reporting system under the category 'MRI safety'? - We do not have a category or sub category with the heading of 'MRI safety' on our incident reporting system. A word search has been done using 'MRI & Safety' and there no results from this search.

2) How many of these MRI safety Datix incident reports were listed under the division, 'MRI Non Declared Internal Passive Metallic Implant'? – N/A

3) How many of these MRI safety Datix incident reports were under the division 'MRI Non Declared Internal Active Metallic Implant'? - N/A

For all of the incidents captured under 2 and 3 above in 2022/23, can you please provide a verbatim copy of the description of the adverse event? - N/A

To avoid running into Section 40 exemptions, please redact any details that could identify someone.

NOTE: If your Trust does not use the Datix system but an alternative like the Ulysses system, please provide the closest analogue to that described above.

Please do a search based on relevant words and then review to ensure they meet the criteria outlined above of non-declared passive and active metal implant incidents in MRI scans.

Another alternative, if your Trust lacks the Datix system, could be to search for safety incidents logged under the location 'MRI'.

If you are dissatisfied with our response, you have the right to appeal in line with guidance from the Information Commissioner. In the first instance you may contact the Information Governance Manager of the Trust.
